The enclosed instrument of proxy (the “**Proxy**”) is solicited by the management of the Company. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

The Company reserves the right to take any precautionary measures it deems appropriate in relation to the Meeting in response to further developments in respect of the COVID-19 outbreak, including changing the Meeting date, time, location and/or means of holding the Meeting. Such changes will be announced by way of news release. Shareholders are advised to monitor the Company’s SEDAR profile at www.sedar.com where copies of such news releases, if any, will be posted. The Company does not intend to prepare an amended Circular in the event of changes to the Meeting format.

We strongly encourage Shareholders to attend the Meeting via teleconference and to vote their common shares prior to the Meeting by proxy, prior to the proxy cut-off at 2:00 p.m. (Pacific time) on Friday, May 6, 2022, as voting will not be available via telephone on the day of the Meeting.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the Proxy are representatives of the Company.

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder’s behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder’s nominee in the blank space provided, or complete another suitable form of proxy.

A proxy will not be valid unless it is duly completed, signed and deposited with the Company’s registrar and transfer agent, Odyssey Trust Company (“**Odyssey Trust**”) by hand or mail at United Kingdom Building, 350 – 409 Granville

Street, Vancouver, B.C., V6C 1T2 or by fax to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international), not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. A proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited by hand or mail with Odyssey Trust at United Kingdom Building, 350 – 409 Granville Street, Vancouver, B.C., V6C 1T2 or by fax to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international), at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to therevocation.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an “**Ordinary Resolution**”) unless the motion requires a special resolution (a “**Special Resolution**”), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also “insiders”, as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the “**Registered Shareholders**”) may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Odyssey Trust Company, United Kingdom Building, 350 – 409 Granville Street, Vancouver, B.C., V6C 1T2 or by fax to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international). not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

Returning your Proxy Form

To be effective, we must receive your completed proxy form or voting instruction no later than 2:00 p.m. (Pacific time) on **Friday, May 6, 2022**.

If the Meeting is postponed or adjourned, we must receive your completed form of proxy by 5:00 p.m. (Pacific time), two full business days before any adjourned or postponed Meeting at which the proxy is to be used. Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion and he is under no obligation to accept or reject a late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder’s name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder’s intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs. This year, the Company has decided to take advantage of those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (“**VIF**”) from our Transfer Agent, Odyssey Trust. These VIFs are to be completed and returned to Odyssey Trust in the envelope provided or by facsimile. In addition, Odyssey Trust provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Odyssey Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from the Company’s transfer agent, Odyssey Trust. These VIFs are to be completed and returned to Odyssey Trust in the envelope provided or by facsimile. In addition, Odyssey Trust provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Odyssey Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries

holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

Compensation Plans

Stock Option Plan

The Company has adopted a stock option plan (the “**Option Plan**”) pursuant to which the board of directors (“**Board**”) may grant options (the “**Options**”) to purchase Common Shares of the Company to NEOs, directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Option Plan is to attract, retain, and motivate NEOs, directors, employees and other service providers by providing them with the opportunity, through options, to acquire an interest in the Company and benefit from the Company’s growth. Under the Option Plan, the maximum number of Common Shares reserved for issuance, including Options currently outstanding, is equal to 10% of the Shares outstanding from time to time (the “**10% Maximum**”). The 10% Maximum is an “evergreen” provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Common Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

The number of Common Shares which may be the subject of Options on a yearly basis to any one person cannot exceed 5% of the number of issued and outstanding Shares at the time of the grant. Options may be granted to any employee, officer, director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The directors of the Company may, by resolution, determine the time period during which any option may be exercised (the “**Exercise Period**”), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Common Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee’s employment, office or position as director, if terminated for just cause; (c) 90 days (or such other period of time as permitted by any rule or regulation of such exchange on which the Common Shares may be listed) following the date of termination of an optionee’s position as a director or NEO, if terminated for any reason other than the optionee’s disability or death; (d) 30 days following the date of termination of an optionee’s position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee’s disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Option Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Option Plan.

Long Term Incentive Plan

On November 4, 2021 the Board of Directors approved a Long-Term Incentive Plan (the “**Incentive Plan**”) for the acquisition of shares by participants for the purpose of advancing the interests of the Company through the motivation, attraction and retention of officers, employees, consultants and directors of the Company and its subsidiaries. The Incentive Plan was subsequently ratified by Shareholders on December 9, 2021 and by the TSX Venture Exchange on March 10, 2022. The following is a summary of the Incentive Plan.

The Incentive Plan shall be administered by the Board or a committee of the Board (the “**Committee**”) and the Committee will have full authority to administer the Incentive Plan including the authority to interpret and construe any provision of the Incentive Plan and to adopt, amend and rescind such rules and regulations for administering the Incentive Plan as the Committee may deem necessary in order to comply with the requirements of the Incentive Plan.

Under the Incentive Plan, eligible participants will be issued restricted share units (“**RSUs**”), deferred share units or performance share units, from time to time that each represent the right to receive, subject to adjustments in certain circumstances, one Common Share in consideration for past performance upon expiry of an applicable restricted period, the holder ceasing to be involved with the Company or the satisfaction of certain established performance conditions. Each grant under the Incentive Plan will be reflected in a letter agreement that sets out the applicable conditions for the vesting of the units and the issuance of Common Shares, as determined by the Committee.

Participants who are residents of Canada for the purposes of the *Income Tax Act* (Canada) and not subject to the provisions of the *Internal Revenue Code* may elect to defer receipt of all or any part of their RSUs until a deferred payment date if they elect to do so by written notice to the Company no later than sixty days prior to the expiry of the applicable restricted period.

The aggregate maximum number of Common Shares available for issuance from treasury under the Incentive Plan shall not exceed 10% of the outstanding Common Shares at any given time when combined with any other share-based compensation arrangements in place at the time, including the Option Plan.

The maximum number of Common Shares issuable to insiders (as defined in the plan), at any time, pursuant to the Incentive Plan and any other share-based compensation arrangements of the Company, is 10% of the total number of Common Shares then outstanding. The maximum number of Common Shares issued to insiders, within any one-year period, pursuant to the Incentive Plan and any other share-based compensation arrangements of the Company is 10% of the total number of Shares then outstanding.

So long as the Company is subject to Exchange requirements, no units may be issued to anyone engaged to perform Investor Relations Activities (as defined in the Incentive Plan) for the Company and in no event can an issuance of units, when combined with any grants made pursuant to any other share-based compensation arrangements, result in:

1. any one person being granted such number of share-based compensation awards equaling or exceeding 5% of the issued Common Shares, within any one year period, calculated on the date a share-based compensation unit/option is granted to the person (unless the Issuer has obtained the requisite disinterested Shareholder approval); and
2. any one person being granted such number of share-based compensation awards with a value exceeding \$150,000 based on the Market Price at the time of grant, within any one year period, not including the value of any compensation awards granted in connection with the initial appointment of such person; and
3. any one Consultant in a 12 month period being granted such number of share-based compensation awards and options equaling or exceeding 2% of the issued Shares, calculated at the date the share-based compensation award or option is granted to the Consultant.

In the event of (i) a change of control (as defined under the Incentive Plan), and (ii) the participant being subject to a triggering event (as such term is defined under the Incentive Plan), then all units held by such participant shall immediately vest on the date of such triggering event, notwithstanding the restricted period.

In the event a cash dividend is paid to shareholders of the Company on the Common Shares while a unit is outstanding, the Committee may, in its sole discretion, elect to credit each participant with additional units.

The Board may from time to time in its discretion (without shareholder approval) amend, modify and change the provisions of the Incentive Plan (including any grant letters), including, without limitation:

1. amendments of a housekeeping nature;
2. changes to the restricted period or performance conditions of any units issued under the Incentive plan; and
3. changes to permit the settlement of units through a cash payment.

However, other than as set out above, any amendment, modification or change to the provisions of the Incentive Plan which would:

1. increase the number of Common Shares or maximum percentage of Common Shares which may be issued pursuant to the Incentive Plan, except for certain exceptions;
2. reduce the range of amendments requiring shareholder approval contemplated in the Incentive Plan;
3. permit units to be transferred other than for normal estate settlement purposes;
4. change insider participation limits which would result in shareholder approval being required on a disinterested basis; or

5. modify section 2.06 on the Incentive Plan,

shall only be effective on such amendment, modification or change upon approval by the disinterested shareholders of the Company. In addition, any such amendment, modification or change of any provision of the Incentive Plan shall be subject to the approval, if required, by any stock exchange having jurisdiction over the securities of the Company.

There are presently 10,610,000 Options outstanding under the Option Plan, 7,310,000 of which are held directly and indirectly by NEOs or directors of the Company.

As at the date of this Information Circular, the Company has not granted any awards under the Incentive Plan.

Approval of Long-Term Incentive Plan

The Company adopted a long-term incentive plan (the "Incentive Plan") for officers, employees, consultants and directors at its annual general and special meeting held on December 9, 2021. The Incentive Plan provides for the issue of Shares to participants for the purpose of advancing the interests of the Company through the motivation, attraction, and retention of officers, employees, consultants, and directors of the Company and its affiliates and to secure for the Company and its shareholders the benefits inherent in the ownership of Shares by key officers, employees, consultants, and directors of the Company and its affiliates; it being recognized generally that equity

incentive plans aid in attracting, retaining, and encouraging officers, employees, consultants and directors due to the opportunity offered to them, to acquire a proprietary interest in the Company.

The Incentive Plan shall be administered by the Board or a committee of the Board (the “Committee”) and the Committee will have full authority to administer the Incentive Plan including the authority to interpret and construe any provision of the Incentive Plan and to adopt, amend and rescind such rules and regulations for administering the Incentive Plan as the Committee may deem necessary in order to comply with the requirements of the Incentive Plan. Under the Incentive Plan, eligible participants will be issued restricted share units (“RSUs”), deferred share units or performance share units, from time to time that each represent the right to receive, subject to adjustments in certain circumstances, one Common Share in consideration for past performance upon expiry of an applicable restricted period, the holder ceasing to be involved with the Company or the satisfaction of certain established performance conditions. Each grant under the Incentive Plan will be reflected in a letter agreement that sets out the applicable conditions for the vesting of the units and the issuance of Common Shares, as determined by the Committee.

Participants who are residents of Canada for the purposes of the *Income Tax Act* (Canada) and not subject to the provisions of the *Internal Revenue Code* may elect to defer receipt of all or any part of their RSUs until a deferred payment date if they elect to do so by written notice to the Company no later than sixty days prior to the expiry of the applicable restricted period.

The aggregate maximum number of Common Shares available for issuance from treasury under the Incentive Plan shall not exceed 10% of the outstanding Common Shares at any given time when combined with any other share-based compensation arrangements in place at the time, including the Option Plan.

The maximum number of Common Shares issuable to insiders (as defined in the plan), at any time, pursuant to the Incentive Plan and any other share-based compensation arrangements of the Company, is 10% of the total number of Common Shares then outstanding. The maximum number of Common Shares issued to insiders, within any one-year period, pursuant to the Incentive Plan and any other share-based compensation arrangements of the Company is 10% of the total number of Shares then outstanding.

So long as the Company is subject to Exchange requirements, no units may be issued to anyone engaged to perform Investor Relations Activities (as defined in the Incentive Plan) for the Company and in no event can an issuance of units, when combined with any grants made pursuant to any other share-based compensation arrangements, result in:

- (i) any one person being granted such number of Share Units and options equaling or exceeding 5% of the issued Shares, within any one year period, calculated on the date a Share Unit or option is granted to the person (unless the Corporation has obtained the requisite disinterested Shareholder approval);
- (ii) any one person being granted such number of Share Units with a value exceeding \$150,000 based on the Market Price at the time of grant, within any one year period, not including the value of any Share Units in connection with the initial appointment of such person; and
- (iii) any one Consultant in a 12 month period being granted such number of Shares Units and options equaling or exceeding 2% of the issued Shares, calculated at the date the Share Unit or option is granted to the Consultant.

In the event of (i) a change of control (as defined under the Incentive Plan), and (ii) the participant being subject to a triggering event (as such term is defined under the Incentive Plan), then all units held by such participant shall immediately vest on the date of such triggering event, notwithstanding the restricted period.

In the event a cash dividend is paid to shareholders of the Company on the Common Shares while a unit is outstanding, the Committee may, in its sole discretion, elect to credit each participant with additional units.

The Board may from time to time in its discretion (without shareholder approval) amend, modify and change the provisions of the Incentive Plan (including any grant letters), including, without limitation:

- 1. amendments of a housekeeping nature;
- 2. changes to the restricted period or performance conditions of any units issued under the Incentive plan; and

3. changes to permit the settlement of units through a cash payment.

However, other than as set out above, any amendment, modification or change to the provisions of the Incentive Plan which would:

1. increase the number of Common Shares or maximum percentage of Common Shares which may be issued pursuant to the Incentive Plan, except for certain exceptions;
2. reduce the range of amendments requiring shareholder approval contemplated in the Incentive Plan;
3. permit units to be transferred other than for normal estate settlement purposes;
4. change insider participation limits which would result in shareholder approval being required on a disinterested basis; or
5. modify section 2.06 on the Incentive Plan,

shall only be effective on such amendment, modification or change upon approval by the disinterested shareholders of the Company. In addition, any such amendment, modification or change of any provision of the Incentive Plan shall be subject to the approval, if required, by any stock exchange having jurisdiction over the securities of the Company.

Pursuant to the requirements of the Exchange, the resolution approving the Incentive Plan (the “**Incentive Plan Resolution**”) requires the approval of the majority of the votes cast by disinterested Shareholders at the Meeting. An “interested shareholder” for these purposes means an insider who may receive units under the Incentive Plan or an associate thereof.

At the Meeting, disinterested Shareholders will be asked to approve the Incentive Plan Resolution, substantially in the following form:

“BE IT RESOLVED, BY THE DISINTERESTED SHAREHOLDERS, THAT:

1. Subject to regulatory approval, the long-term incentive plan (the “**Incentive Plan**”) of Prime Mining Corp. (the “**Company**”), as described in the management information circular of the Company dated April 12, 2022, be and is hereby approved and adopted by the Company’s disinterested shareholders;
2. The Company is hereby authorized to grant and settle units under the Incentive Plan in accordance with the terms and conditions of the Incentive Plan; and
3. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things, and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances, as in his or her opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, making any changes to the Incentive Plan required by the Exchange or applicable securities regulatory authorities and to complete all transactions in connection with the administration of the Incentive Plan.”

Management recommends that Shareholders approve the Incentive Plan Resolution. If the Incentive Plan Resolution is approved by Shareholders, the Directors will have the authority, in their sole discretion, to implement or revoke the Incentive Plan Resolution and otherwise implement or abandon the Incentive Plan.

In the absence of instructions to the contrary, the Proxyholders intend to vote the Common Shares represented by each Proxy, properly executed, FOR the Incentive Plan Resolution.

OTHER MATTERS

As of the date of this circular, management knows of no other matters to be acted upon at this Annual General and Special Meeting. However, should any other matters properly come before the Meeting, the shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the shares represented by the proxy.
